Experience

I became a Neal's Yard Remedies Practitioner in 2008.

As a qualified Mobile Holistic Therapist I offer a range of holistic therapies for all ages. My massage techniques include Swedish, Shiatsu, Lymphatic Drainage, Neuromuscular, Deep Tissue, Trigger Therapy, Acupressure, Indian Head Massage, Hot & Cold Stone Therapy and Natural Organic Facials.

I possess a specialism in pregnancy massage and holistic care throughout all trimesters and post birth.

As an Aromatherapist, I use synergies of scents and touch so that clients can benefit on a physiological and psychological level.

My corporate and community work includes onsite massage at NHS health initiatives, team leading other therapists at festivals, sporting events and across the business sector. I pamper VIP's backstage and treat clients in luxurious hotels, including Raymond Blanc's, Le Manoir.

I am a full member of the Federation of Holistic Therapists and the International Council of Holistic Therapists, and I fully abide by the Code of Ethics and Professional Practice guidelines in order to achieve excellence in professional conduct and practice.

Personal Comment

A session with me can involve combining therapies, which may be of great benefit to those seeking renewal, stress and pain relief; healing from emotional upheavals or who just want to feel more happily in tune with themselves.

My therapeutic holistic therapies can be relaxing or invigorating depending on individual preference. I help people to help themselves to reach balance and harmony.

I believe that given the right environment, your body can heal itself; all my treatments provide the necessary knowledge and conditions for this to happen.
